

"your toolkit for real solutions..."

COMPANY **Profile**

**An introduction to who we are,
what we do, and how we create
value.**

fraventlimited@gmail.com

Our Story

Fravent Limited is a fully registered Company with the Registrar of Companies with Company Registration Number: 80020003614101. Fravent Limited prioritizes realizing its customers'/clients' aspirations in Electrical Engineering, Property Management, Consultancy & Advisory Services, Import & Exportation, Logistics & Transport, Land Brokerage and Business Intelligence among others.

Fravent Limited employs experienced, exposed and professional staff for all the works and projects we do.

Our clientele base ranges from Private Individuals, Schools, Private and Public Companies, Organizations, local & international investors and Government Ministries.

A steady flow of orders from Fravent's customers is very encouraging sign and a true reflection of their trust and confidence in Fravent management's rich heritage and diversified experience. This recognition is inevitably based on Fravent's persistent track record in delivering successful projects year after year.

Our Mission

Fravent Limited exists with a mission to establish a strong and reliable working bond with its clients delivering quality, affordable and up-to-standard services for all our stakeholders.

Our Vision

Our Company envisions evolving in to the leading company, providing unsurpassed services to its participants across the globe.

Message From The CEO

“Fravent reflects the very genesis of our Company and represents both the reason of its formation as well as keystone for its sustainability and swift transformation to a leading engineering and contracting company in our domain of expertise.

We look forward to being able to grow both in terms of the portfolio and markets through exploring new horizons”
