

AUDA-NEPAD Youth SRH Ambassadors Initiative 2026

Ambassador Nomination — Advocacy & Community Mobilisation

Bridging grassroots outreach with continental youth SRH leadership

Your health, our mission.

Application deadline: 17 July 2026

1. Nomination statement

I mobilise young people through FairBanks Community Reach in Kampala. Ambassadors should bridge grassroots truth and continental policy — my daily work lives in that bridge.

2. SRH advocacy through FairBanks outreach

School and community dialogues on adolescent SRH through FairBanks outreach
Maternal health education linking ANC uptake, safe pregnancy, and partner involvement
Digital content that meets young people where they are — without shame or jargon
Peer mobilisation through CHWs/VHTs who already hold community trust

3. Community mobilisation in Kampala

Outreach across Bukoto, Kyebando, Kisaasi, Kamwokya, Kikaaya with CHWs/VHTs.
FCHIP helps us see where adolescent and maternal gaps cluster.

4. Energize Africa alignment

Youth as co-creators — not passive beneficiaries — in SRH programming
Grassroots realities from Kampala communities informing continental advocacy
Linking SRH to livelihoods, education, and the demographic dividend

5. Ambassador commitments

Monthly advocacy content tied to outreach calendars and adolescent/maternal programmes
Report anonymised community insights upward — what youth actually ask in the field
Support A2DSRH and Energize Africa messaging with honest, local-language examples
Mentor younger peer advocates through FairBanks Community Reach volunteer pathways

6. Continental platform value

Official ambassador recognition and continental SRH platforms
Training, mentorship, and networking with policy and youth leaders
Visibility to translate Kampala outreach lessons into Africa-wide dialogue
Sponsored participation in selected AUDA-NEPAD engagements where appropriate

Your health, our mission.
