

GRANTS.GOV FORM WORKSHEET

Disclosure of Lobbying Activities (SF-LLL) V2.0 — Fill Answers

Applicant: FAIRBANKS MEDICAL CENTRE LIMITED

Opportunity: CDC-RFA-JG-26-0056

Form file: WS01740564-SFLLL_2_0-V2.0.pdf

Prepared: 2026-08-11 · Slogan: Your health, our mission.

Primary answer: NO REPORTABLE LOBBYING.

CDC lists SF-LLL as required **if applicable**. FairBanks has not hired a paid lobbying registrant to influence this cooperative agreement application. **Do not invent lobbyist names or payments.** Authorized official must CONFIRM before submit. If the Grants.gov package forces the form, use Path B below with N/A.

Path A — Preferred (no lobbying)

1. Confirm with Racheal Nabukeera / board that FairBanks paid **no** outside lobbyist to influence CDC, HHS, Congress, or related officials on this application.
2. In Grants.gov, leave SF-LLL **unattached** / mark not applicable if the workspace allows.
3. Keep the anti-lobbying certification that comes with federal applications (separate from SF-LLL) — that certifies federal funds will not be used to lobby.
4. If lobbying is hired later, file SF-LLL promptly (material change / new filing).

Path B — Only if the workspace requires SF-LLL to be completed

Use these values. For lobbyist boxes, enter **N/A** (not fictitious people). Foreign address fields: use Uganda details; State/ZIP as the form allows.
