Section C — Non-Federal Resources

All zeros — no cost sharing or matching proposed.

Section D — Forecasted Cash Needs

Year 1 total federal need \$10,000,000. If only Component 1 is funded initially, cash need is \$2,450,000. Quarterly distribution for Component 1 (illustrative): Q1 \$612,500; Q2 \$612,500; Q3 \$612,500; Q4 \$612,500.

Section E — Budget Estimates of Federal Funds Needed for Balance of the Project

Years 2-5 amounts to be set at continuation based on progress and available funds. Illustrative planning level for Core GHS (Component 1) similar to Year 1 order of magnitude (\$2,450,000/year) subject to CDC continuation decisions. Contingency components remain event-driven.

Section F — Other Budget Information

Indirect charges: estimated 8% of MTDC for foreign organisation (exclusive of equipment and subawards over \$25,000), unless a negotiated rate applies — CONFIRM before submit. Remarks: Award funds systems strengthening, surveillance, training, emergency readiness, and community-facility linkages. Routine clinical care is not charged to this award. No research proposed.
