

Budget Narrative (Year 1) — All Components

FAIRBANKS MEDICAL CENTRE LIMITED | CDC-RFA-JG-26-0054 | All figures U.S. dollars | Generated 2026-08-09

Attach this PDF to the Grants.gov Budget Narrative Attachments form. CONFIRM final figures before submit. Cost share: none. No research. Routine clinical care not charged to this award.

Summary of Year 1 federal requests

Component	Draft ask	Ceiling	Status
1 Core GHS	\$2,000,000	\$5,000,000	Expected initial funding
2 Small-scale response	\$350,000	\$10,000,000	Contingency
3 Large-scale response	\$450,000	\$15,000,000	Contingency
4 Emerging threats	\$250,000	\$15,000,000	Contingency
5 Humanitarian	\$250,000	\$20,000,000	Contingency
TOTAL	\$3,300,000		

Indirect costs: foreign organisation rate 8% of MTDC (exclusive of equipment and subawards over \$25,000), unless a negotiated rate applies — CONFIRM method before submit.

Component 1 — Core GHS detailed justification

Category	Amount	Justification
Salaries and wages	\$580,000	Project Director portion; Programme Manager; M&E; Data/FCHIP; CHW supervisors; finance/admin charged to award
Fringe benefits	\$116,000	Statutory and organisational benefits on award-charged staff
Travel	\$70,000	In-country field supervision, district meetings, limited regional workshops
Equipment	\$50,000	Field devices and approved IT — each item justified; furniture generally not allowed
Supplies	\$75,000	Training materials, PPE for drills/sample handling, connectivity, form printing
Contractual	\$640,000	MoH-aligned technical partners for lab/border support modules; software hosting; external audit
Other	\$225,000	Short-term trainers, translation, community meeting costs, evaluation support
Direct subtotal	\$1,756,000	
Indirect (8% MTDC est.)	\$244,000	CONFIRM MTDC base
Component 1 TOTAL	\$2,000,000	Within \$5,000,000 ceiling

Components 2-5 — Contingency narratives

Component 2 (\$350,000): Surge staffing and fringe; rapid travel; emergency supplies/PPE; contractual surge support for investigation/RCCE/data dashboards; other community meeting costs; indirect. Activate only if CDC funds small-scale outbreak/PHE response.

Component 3 (\$450,000): Larger surge staffing; multi-district travel/logistics; expanded supplies; contractual partners for mobilisation and sample referral volume; recovery support; indirect. For large-scale outbreak/PHE response when activated.

Component 4 (\$250,000): Rapid form/tool updates; sentinel intensification staffing; special training; partner lab referral contractual support; travel/supplies; indirect. For emerging infectious disease threats when activated.

Component 5 (\$250,000): Community surveillance and RCCE in humanitarian settings under MoH tasking; surge staffing/travel/supplies; contractual support; indirect. For humanitarian emergency response when activated.

Unallowable costs (we will not charge)

- Research as defined by this NOFO

- Lobbying
- Routine clinical care not allowed by law / not the purpose of the award
- Pre-award costs without written approval
- Budgets in any currency other than U.S. dollars
