

TYRA REBECCA NALUKWAGO

Senior Valuation Surveyor | Land Economist | Property & Resettlement Specialist

PROFESSIONAL PROFILE

Accomplished Land Economist and Graduate Valuation Surveyor with over five years of professional experience in property valuation, land acquisition, compensation assessment, Resettlement Action Plans (RAPs), and property management. Demonstrated expertise in supporting large-scale infrastructure, energy, mining, water, and transport projects across Uganda for government agencies, financial institutions, and private-sector clients.

Highly experienced in valuation methodologies, stakeholder engagement, community sensitisation, mortgage valuations, market analysis, and preparation of comprehensive valuation reports. A Graduate Member of the Institute of Surveyors of Uganda (ISU), committed to delivering professional, ethical, and data-driven valuation services that support sustainable development and investment.
